At 10:32 a.m., as published, Chair Schubert opened the  $2^{nd}$  public hearing for the consideration of Resolution 23-15, Declaring Emergency Medical Services to be an Essential Service. Those present were Corey Trucke, EMS Director and Larry Folk, Horn Memorial Hospital Emergency Preparedness Coordinator. Trucke reported who the current EMS advisory group would be recommending to the Board for consideration to makeup the EMS advisory board. During this time Drey asked if the rural residence would be represented. Trucke shared that he would feel comfortable not having Sheriff as a part of the voting board members, and instead have rural representation. Further discussion brought up a couple of people of interest by both Schubert and Drey. Trucke will follow up with them and then submit the proposal of the EMS Advisory Board to Administrative Assistant Folk to bring to the next meeting. Chair Schubert asked if the EMS group had any funds to promote the EMS Levy consideration, should it be put on the November ballot. Trucke shared that the EMS Association has some funds that they would use to help promote and publicize should the final reading be passed and approved. It was then shared that Trucke would not be here, in person, for the 3<sup>rd</sup> and Final Reading of Resolution 23-15, but plans to participate via phone conference. At 11:02 a.m. Chair Schubert closed the public hearing.
