The Board of Supervisors convened in adjourned session, members present Chair Creston Schubert, Devlun Whiteing, and Raymond Drey.

Minutes of the meeting held August 1, 2023, were read. Whiteing moved and Drey seconded the motion to approve the minutes as read. Motion carried, all voting Aye. Drey reported that he hasn't been able to get anyone to fill an opening on the Planning and Zoning Commission from District 2.

Discussion was held on the Board hiring a structural engineer, as recommended by L&L Builders, to verify the stability of the courthouse.

Jeff Williams, Engineer, reported M15, Jasper Ave. paving was completed and now working on shoulders. Discussion was held regarding the project overdue deadline, they are currently negotiating the details and will be working on how that will be resolved. Roadside mower, Andresen, is mowing along the shoulders/ditches next to M15 to help with the shouldering/ditch recovery. Williams reported that micro-surfacing on L-67 will begin soon. Discussion was held regarding 255th Street, south of the HS Football field, with possibilities for resurfacing it. Williams will report back to the Board after clay testing and estimates are gathered. Regarding gravel road current conditions, trainings are being held for operators, road supervisors, and engineers which are being addressed on an as needed basis.

At 10:30 a.m., this being the time and place as published, Chair Schubert opened the 3rd and final public hearing for the consideration of Resolution 23-15, Declaring Emergency Medical Services to be an Essential Service. Present were Larry Folk, Emergency Preparedness Coordinator for Horn Memorial Hospital and Corey Trucke, EMS Director. Schubert asked Trucke how the funds would be spent. Trucke shared a tentative outline. Once the EMS Advisory Council is formed that they would discuss further and determine the final submission for the funds raised by the proposed levy. In addition, Trucke discussed the importance of the educational needs and training opportunities that are currently lacking in the county and the surrounding area. Stressing that having a set, regular, guaranteed training schedule would help to recruit additional EMS trainees. At approximately 10:55 a.m., Schubert closed the hearing. Drey moved and Whiteing seconded the motion to approve that Ida County declare EMS an Essential Service and approve Resolution 23-15. Motion carried, all voting Aye.

A discussion was held, regarding Service Master and Steve's/Siouxland Pest Control, to eradicate the bats and odor/smell that is being emitted from the steeple/bell tower of the courthouse. Because the estimates for extermination haven't been received yet, Auditor Folk was asked to follow up and get additional information for the Board to be placed on the next agenda.
