Ida Grove, Iowa April 9, 2024

Riley Gibson with Summit Carbon Solutions updated the Board regarding the carbon pipeline that is proposed in Ida County. Gibson reported that the IUB haven't made any decisions on the pipeline yet. He also shared that Poet Bio-refining in Arthur is now going to be connected to the proposed pipeline. This will make them eligible, due to a lower CI score, to be able to produce up and coming biofuels such as Sustainable Aviation fuel. Increasing the need for corn and increasing the price per bushel for our area farmers. Summit will be bringing out the dispersion model specifications for our County soon

County Engineer-Jeff Williams and Assistant County Engineer-Colin Ryan, presented to the Board the resignation of Trevor Reitz, operator effective April 12, 2024. Drey made a motion to accept the resignation, with Whiteing seconding. Motion carried, all voting Aye.

Sgt. Corey Trucke/EMS Director/Medical Examiner Department Head is seeking Board approval for the Chair to sign an EMS agreement between Ida County EMS and Ida Grove Ambulance, to reside in the same building in Ida Grove. After discussion, and the information shared about the Ida Grove Ambulance covering the structural engineer inspection of the proposed site and other initial costs, up to an amount of \$125,000, Drey moved to approve Chair to sign the contract with Whiteing seconding the motion. Motion carried, all voting Aye.

Approval of a salary certification for Caine Junkman as a p/t dispatcher/jailor at \$23.29 per hour. He is already a certified dispatcher in the State of Iowa. Drey moved to approve and Whiteing seconded the motion. Motion carried all voting Aye.

Sohm, E911 surcharge department head, presented information on possibly upgrading the county's radio system to the Iowa Statewide Interoperable Communications System or ISICS. He shared information about how other counties in the area have upgraded their systems, however, with the passage of HF718 that it possibly would have to go to a public measure vote. E911 currently doesn't have the funds to cover the approximate cost for switching the services to ISICS of between \$2,000,000 to \$3,000,000. After discussion the Board came to a consensus that it wouldn't be feasible at this time. Sohm respects this decision and will let those that are concerned with the topic know.

Auditor Folk presented the board with copies of the Ida County Auditor's Report and Basic Financial Statements for the fiscal year end June 30, 2023. There was no discussion.

Folk states that certain items in the current budget need to be amended, the Medical Examiner General Basic account, due to a higher number of autopsies this year than projected, that department has requested a \$10,000 budget increase. Township Official general basic is requiring an amendment in the amount of \$1,000, due to officials turning in past years expenses/mileages which were not budgeted for. The Board agreed to set the Amendment Hearing date for Tuesday, April $23^{\rm rd}$ at 9 a.m.

After discussion, Whiteing moved and Drey seconded a motion to remove the faded no parking signs on the west side of the courthouse grounds, as it is public parking. Motion carried, all voting Aye.

Motion carried all voting Aye.
