Ida County Board of Supervisors:

Iowa code section 445.16 Abatement or Compromise of tax states that if the Treasurer determines that it is impractical to pursue collection of the total amount due through the tax sale and the personal judgement remedies, the Treasurer shall make a written recommendation to the Board of Supervisors to abate the amount due. The Board of Supervisors shall abate by resolution, the amount due and direct the Treasurer to strike the amount due from the county system.

The Ida County Assessor's Office should have inactivated parcel 03-04-402 on October 22, 2014 according to their notes. It was not done at that time & taxes have been paid on said parcel over the last 12 years. On September 15, 2025 there was a resolution to remove all those taxes, but the tax year 2025 was not available at that time & was missed before tax statements went out. Because of that, I hereby request that the taxes in the amount of $122.00 due for tax year 2025 be abated.
